Note: Complete a certificate for each state in which you are required to file. Rules for CLE in some states require the provider to file attendance with the regulator as a service to lawyers. Please confirm jurisdictional reporting requirements with your state regulator. Credits may vary by state depending on whether the state you are submitting to operates under a 50-minute or 60-minute credit rule. Please review the program agenda in light of your state's rules to determine precise credit eligibility. For those needing New Hampshire credit, please reference the agenda to calculate the minutes in the course. To submit to New Hampshire, please refer to the New Hampshire bar website, www.nhba.org, for more information.
