Attorneys acting as judges or advisors in moot court competitions may be eligible to claim CLE credit for their participation. Rules, calculations, and limits vary by state.

Similar to requests for credit for teaching, authorship, and mentoring, attorneys must submit their request for credit directly to their state themselves. Upon request, the ABA will provide a certificate confirming participation in order to facilitate the submission to the state. Please email this document to [mcle@americanbar.org](mailto:mcle@americanbar.org) to request your certificate or with any questions about CLE credit in your state. Please allow up to 60 days after the competition to process attendance confirmations.
